Their council tax is through the roof, they're in negative equity, there's a gang of youths outside the news-agent gobbling and drinking cider every night on the way home from work. And yet, Lacey's neighbours in the flats across the way from her Reading pad are in no hurry to move. Or the blokes amongst them anyway. If you got this view every night before her boyfriend came round, would you?

Lindsey

"You're not going to believe what happened on the way to this shoot!" grins late arrival Lindsey (19). "I missed the train and hitched a lift in a van with a load of builders on their way to a job. They were very nice... they offered to drop me off here if I stripped for them. So that's what I did in the back of the van, bouncing around on their laps. It's got me very horny so can we get on with it now!"

GIG FRIGGED

My fiancé Lewis and I love to see live bands and there's a club near us that often hosts "secret" gigs by some quite big bands warming up for festivals and major tours. Obviously they're not that secret – the club's small and always rammed.

I've always found being there a turn-on – I don't know if it's the hot, sweaty atmosphere and air of excitement, but I always end up juiced as hell. Lewis will vouch for that as we first copped off at a gig and I fucked him till he pretty much

passed out for the rest of the night – and only woke up the next morning when I started to give him a blowie!

I always dress in sexy, skimpy clothes – this time I chose a tight red vest-top, with no bra so you could see when my nipples were on full-beam! This was teamed with a denim miniskirt and cowboy boots. Under the skirt, I'd gone commando as a treat for Lewis and anyone else who had a sneaky grope!

The crowd was packed in tight but still went crazy when the band came on. I was in front of Lewis, his hands cupping and stroking my tits as his hard-on thudded against

my back. We weren't the only ones feeling wild and horny, too – one girl was wearing a boob tube and I saw her tits fall out as she danced around. It was ages before she pulled it back up – either she hadn't noticed or she wanted everyone looking at her.

I got a massive thrill as Lewis's hands left my boobs and moved down my body. He spent a while just playing with my bare arse cheeks, then he felt for a g-string – which of course wasn't there to find. He moaned right in my ear as his fingers caressed my silky labia and then sunk in between them. It didn't take much for me to finger my clit and we both brought me off right there in the middle of the audience.

A frig wouldn't satisfy me, though, and Lewis hadn't cum yet. On the night bus home, we went upstairs to one of the back corners and, with his jacket over his lap – hardly subtle – I wanked him to hardness.

The nearest stop to our place is about half a mile away, and we didn't want to wait, so we sneaked into a little local park. Someone had set up a swing off a tree branch, with ropes and a wooden seat. Lewis managed to get it to the perfect height, so we were pussy-to-cock when I sat on it, and then he slipped in.

This way, he could give me a stand-up fuck, moving me on and off his prick without having to hold my weight. I locked my legs behind his back holding him inside me, but not so tight he couldn't thrust. He shoved my top up to my shoulders too so he could suck on my tits, and it didn't take much clit-teasing before I was cumming hard.

He whispered in my ear about how hot and wet my cunt had felt, but how he'd wanted to slip it up my arse more than anything else. I wasn't going to deny him and so I let him pull out and move his prick down a very tight notch. I moaned, biting my lip as he wedged it in my arsehole, then tried to keep my sighs to a minimum as he fucked me there. Knowing that someone could turn up and see us made it all the more sexy, and I came a couple of times. And my arsehole around Lewis's cock soon got him there, too – I clenched, heels spurring against his own cheeks as he pumped me full of fresh, hot, creamy sperm.

We staggered back to our flat for some more fun, and like our first time, we kept fucking till Lewis called time out. This time he didn't wake up with my lips around his shaft – instead he opened his eyes to see me masturbating my arse with a big butt plug. Getting it ready for his cock...

I'M A FOOT FREAK

Sarah, my best mate, loves all sorts of girly treats so, for her birthday, I treated her to a pedicure. We got back to hers to find my boyfriend, Dean, there – unsurprising as he's best mates with her bloke, Max, and the four of us were going out for a meal that night.

I'd also got Sarah some sparkling wine, and we'd been swigging it in the salon, so she was a bit drunk, kicking off her flip-flops to show off her feet. She's hyper even when she's stone-cold sober

She wouldn't let it go. She and Max were on their three-seater couch and she kept rubbing her bare feet against his crotch. "OK," he said. "Upstairs." Dean and I just sat there. Then he said, "I want to watch."

I went up after him, not sure how Max and Sarah would take him knocking on their door, but Sarah squealed for him to come in, and he grabbed my hand and led me with him.

She'd always said Max had a big dick, but I'd thought it was typical Sarah

STEPHANIE,

and she kept angling for compliments, eventually telling Max they looked so gorgeous he should wank on them.

"Bit of a foot freak are you, Maxie?" asked Dean. He said no way, but they'd watched a foot-sex clip online once and Sarah had got turned on by it.

exaggeration. Seems not. She was sat with her feet on the edge of the bed and he was kneeling, palming himself over them. "Come here," she said to me, so I sat next to her, admittedly feeling a bit weird at this stage. She flung an arm around me, and started to kiss me, and I

READERS' LIVES

STEPHANIE,

snogged her right back, which had Max wanking even harder and faster.

Dean was joining in now, cock in hand but pacing himself. Max was pretty close to a happy finish, though – I saw his jaw tighten and a bit of sweat bead on his face, then with a groan, a big white load shot out of his purple-headed prick and all over Sarah's feet and painted toenails.

Now Dean steamed in and, somehow managing to grab her feet without smearing the spunk, he started to fuck her between her soles. The way this bent her legs meant he also got a good view of her knickers' crotch, with my hand working away inside it as I snogged her. He pushed her feet tight around his shaft and pumped in and out, until his jizz joined Dean's trickling all over them.

I saw my chance. I managed to settle myself over her face, within licking reach of her feet. As I started to lap up the double load of spunk, she fingered me through my knickers, then pulled aside so she could lick my pussy too. She had really ticklish toes, and squealed and wriggled every time I tongued in between them, but that was more than fine by me as she just licked my pussy harder, too.

It didn't take too much of this sort of show before the boys were ready for more. We'd never swung before, but when Max got hard, he came over and started to nuzzle my neck. I could feel shudders of lust, my pussy tingling. Dean

was cool with it and so I ended up on the bed, squatted over Max. My snatch was already soaking wet and so his dick was in me right away.

Dean just rolled Sarah over on the bed, pulled her arse up in the air and her knickers down as far as they'd go, then slipped his dick inside her and started doggie-shagging her. It was two fucks rather than a proper foursome now and while Dean isn't small, the thump-thump-thump of Max's massive dick inside my cunt was driving me insane. He reached a hand out to my clit, and laid there frigging me, his own eyes glued to my globular, jiggling tits.

I started cumming around his dick and he just fucked up fast and hard, until his prick spurted its load deep in my hole. I clenched my cunt around him, wanting him inside me as long as I could, then flopped on the bed next to him.

The sight of Dean giving it to Sarah hard set my cum-sore pussy twitching again, but it wasn't long before he came too, then pulled his dick out and creamed all over the peaks of her cheeks.

I seriously couldn't move for a few minutes, but Sarah wanted to lick my spunky hole, and I returned the favour in a sixty-nine.

We haven't swung since then – it could get a bit weird, what with them being our mates. But I sort of live in hope it'll happen again...

Stephanie, Haywards Heath.

SPANKS FOR A NAUGHTY NIGHT

I'm 23 and shagging an older bloke, Howard. He's quite well-off so, unless he's in the mood to slum it in my bedsit, we usually end up fucking at his flat.

I've known from the off that he's married – he says he and his wife lead separate lives. So I was surprised when she turned up at his place one morning.

He'd left for work and I was just lounging around, when she let herself in. "Don't mind me, darling," she said, sounding a bit posh and snotty but not even slightly pissed off to find her husband's bit of spare naked in his – their – bed.

She retrieved something from a drawer. I always thought this was his place away from their home, but they obviously shared it one way or another. Then she did a sort-of double take, and told me I was "classier than some of the little slappers he'd been dicking".

"Nice tits as well," she went on. "Let's see the rest of you." I think I was already freaked out and... Well, she just had the sort of voice that, when she said something, you did it.

"Bloody hell, I thought you'd just tell me to fuck off," she giggled, when I stood up. I wasn't backing down now, I gave her a twirl wearing just a silky thong – one that, she guessed correctly, Howard had bought for me.

Now she walked over and told me I had the most beautiful arse. The knickers showed it off, and next thing I knew, she was running her long-nailed fingers over my cheek.

"Do you play with girls, too?" she asked, in her snotty accent. I'd never really gone beyond getting pissed and messing around with a mate one night, I thought, but didn't voice it. Then she was on about my arse again.

They had this big, padded chest at the foot of the bed, and she asked me had Howard ever fucked me over it. When I said yes, she told me to show her how.

I leant forward, weight taken on my hands, arse in the air. Now she walked

round the side and I anticipated her touching me up.

That's why the slap came as a shock. She whacked me hard on one cheek with her palm, and said that's what I got for fucking other women's husbands. I yelped, and she asked, "What? You don't think you deserved that?" I didn't answer, so she said if I didn't think I should be punished, I should just say it, and she'd just walk out and leave me be.

I don't know why I reacted the way I did – like I said, she had this way of talking that just made me listen, and my cunt was just juicing like crazy – I could feel it soaking the gusset of my thong. "I have been bad," I said.

She started off using her hands, softer than the first slap, till my arse was nicely warmed over. Then she got what she called a paddle – like a rectangular ping-pong bat with leather on one side, and

velvet on the other.

It wasn't that harsh. She spanked me with the leather, making me count ten on each cheek, then flipping it over to rub the velvet against them. Then she kept spanking and rubbing alternately, till I was moaning with pleasure.

Now she said she could see why Howard hadn't been able to resist me, and I felt something catch in the back of my

thong and pull it down. I asked "What's that?" and she showed me the handle of the paddle, designed to double up as a dildo.

She probed my cunt with the tip of it, then slotted it in, fucking me hard with one hand as the other found my clit. Howard is good at getting me off but this was something else – I remember looking down and seeing my knuckles turning

"She gave me ten strokes on each cheek"

MIRI,

white as I clawed at the padded fabric on the chest. Then, just when I thought I was going to cum, she pulled away.

"Don't stop," I groaned. Maybe this was her idea of revenge!

She came around the front of me, carrying the wet toy, and stuck it in my mouth "to shut me up". Then she said, "Seriously, that arse..." and kissed the tips of her fingers, adding that she bet Howard couldn't keep his cock out of it. And that I'd best make sure the dildo was nice and wet.

Back in behind me, she rubbed some pussy juices into my arsehole, and what felt like lube as well. Then she slowly inserted the handle into my bum.

If she'd gone short of getting me off before, she couldn't stop me cumming this time. She'd barely put her fingers on my clit before I exploded with pleasure, but she just carried on, bringing me to another orgasm within minutes.

I left there in a bit of a daze and when Howard rang me the next day he said he couldn't believe she'd come over at that time and he was really sorry for landing me in the shit like that. She'd obviously told him she'd caught me there, but not about what had happened. I said I reckoned he'd set me up. He said no, and I actually believe him, he seemed so mortified. But I've decided I'm going to milk it, make him really apologise to me, with his big, hard cock. Once he's finished licking me out for an hour, that is!

Miri, Paddock Wood.

RANDY SANDI

I dress for comfort when I'm at home, usually in a T-shirt and a pair of knickers. I live in a big student house share so, while the weather's warm I just have a cotton robe for when I'm in the communal areas, and in winter I also cuddle up in my favourite fake-fur blanket and sheepskin boots – cheaper than putting the heating on!

Recently, one of the lads, Ashley, came to my room to borrow a blank DVD – and said I looked like some kind of cave woman when I opened the door wrapped in my cold-weather gear! He laughed and asked did I have a fur bikini on under it – I said of course I did.

We always mess around, just as mates, so he yanked it off me – and didn't seem disappointed by what he saw, even though I'd obviously lied about the bikini! Then I told him to give me back my blanket, because I was cold – and he said he'd warm me up.

We had a cuddle, like we'd often done, then he said the sharing body heat thing only works if you're naked. I said, "Kit off, then." He hesitated a bit – that really wasn't what he'd been expecting – then as he wriggled out of his clothes, I took mine off too.

We groped each other – it was fun not really knowing where our hands were going to wander – but there was definitely something in the body-warmth thing.

Ashley had a good body, all firm and smooth, and his cock felt nice and big, too. And hard. I started wanking it, catching the most-sensitive bits with my thumb and fingertips as I stroked up.

He fondled my boobs for a while, then moved on down to my pussy, three of his fingers slipping easily into the wet entrance. As he fucked them in and out, my juices dribbled on his hand.

It wasn't easy to keep the blanket in place around us, so now we just got under it. We were on our sides, then he rolled on his back, grabbing and moving me so I was sitting on him.

His cock was so hard, it was flat against his belly rather than sticking up. So I reached down, gave it another quick wank and then guided the tip of it to my hole. His fingers had got me primed to take it in one easy go, and I was able to start fucking it instantly.

As I bounced up and down on it, I started to talk dirty, telling him to give it to me hard, to suck on my tits, to let me feel his spunk spurt out inside me. And so he grabbed my globes – they fitted nicely in his hands, and his mouth was so hot and wet around my nipples. My clit was twingeing in sympathy, not least because this position had it angled to rub against his crotch. His pubes felt rough against it and I got very close, but he was the first to cum, deep in my cunt.

He didn't leave me hanging, though – he backed down the bed, splayed me on my back and started licking my snatch. It felt like it was swimming in spunk and juices but that didn't bother him – he had me taste it off his fingers.

Once he'd sucked me clean, he started

to tongue-fuck my pussy, fingers on my clit at the same time.

It wasn't long before I was cumming harder than I ever have before. I was mashing my cunt hard against his lips as my inner muscles closed round the tip of his tongue. And even though I felt him swallow a lot of juices, all around his mouth was covered with them when he finally came up again.

We've fucked every night since then – pretty much casual, but what do you expect from two horny students! If he doesn't come to my room, I'll go to his, with the blanket wrapped around me. Often, I'll be naked underneath it, or maybe I'll wear a pair of black hold-ups for an added thrill...

Sandi, Cheshire.

"He started to tongue-fuck my tight pussy!"

CHAVVING IT LARGE

Nice girls have never really done it for me. OK, it's fun when you meet one who's up for being corrupted, but that's usually too much like hard work! What really gets my cock hard are chavvy, council-estate types, the sluttier the better, who'll just give you a really dirty fuck, no messing.

I often hang around in the rougher pubs in my area, just to meet them. The other night, I got chatting to this girl. It turned out she was waiting for her bloke, but happy enough to prick-tease me for a couple of drinks. At least she introduced me to a single mate of hers, Courtney.

She took me back to hers, a council flat she shared with her sister. We had it to ourselves for now, so we started off on the couch. We didn't waste too much time on just snogging, and I was sucking on her tits, just pulled out of her top, and had my hand inside her knickers probing her very wet pussy, when her sister, Nikki, came in, trailing a bloke with her. She had to introduce him to Courtney, so she was obviously a one-night stand girl, too.

I wondered, maybe even hoped, we'd end up having a foursome, or even better that the other lad would just fuck off and leave me with both girls. No such luck.

Nikki took her bloke through to her bedroom, and Courtney said maybe we should hit the sack as well. The rooms were next to one another, and the walls were thin so we heard everything they were doing – which they seemed to want anyway, given how they gave us a running commentary.

Nikki asked whether he wanted his dick sucked – probably the most stupid question a woman can ask a bloke! – and we could hear every slurp and groan, even though her noise was dampened down by a mouthful of meat.

Not to be outdone, Courtney started talking dirty. OK, she'd turned the air blue when it was just the two of us, but not as loudly. She told me to get in behind her – her cunt was wet, oozing and ready for some cock, and she liked it hard up her, doggy-style.

She wasn't kidding that she was wet – the second I put my tip up to her hole, I slipped in down to my balls. There's such a thing as being too moist, but she was so tight it didn't matter. I could feel her squeezing herself around my prick, and my helmet rubbing up against her walls.

She was moaning her head off now, telling me to give it to her harder, saying

how much she loved my big cock pounding in her cunt. Then she told me to spank her arse while I was fucking her. Her bum cheeks were glowing pink by the time I hit the brink of cumming, and she told me to pull out and jizz all over her arse – and to keep spanking her. The noise as my palm connected with her spunk-wet skin was even louder, and she was squealing with pleasure now.

This time she slid onto me slowly, taking me easy but little by little, her moans just little gasps and whimpers as I filled her arse with cock. There was a comment from next door for us to get the fuck on with it, because they couldn't hear any fucking, but we just ignored it.

Courtney wasn't putting on so much of a show now, but knowing that the soft noises she was making were the real deal just got me even stiffer in her arse. I grabbed her tits and just pumped and stirred my hard-on around, then I dropped one hand to finger her clit. I'd found

COURTNEY,
Surrey

And she didn't quieten down when I started smearing my mess all over her arsehole – she handed me some lube she'd got ready so she was obviously into this. Then I told her I hoped she'd made the most of her last screw, because when she learnt how good taking a thick length of cock in the arse felt, she'd never go back to taking it in the pussy again.

"You reckon I don't know how a bum fuck feels? Duh!" she said, this time whispered so only I could hear it!

I sat on the edge of the bed in front of her mirror, then had her sitting on my lap, facing the same way. Now I could penetrate her arsehole deep, and watch her face as she came.

out how she liked to be touched during foreplay and I could feel the pleasure trembling through her body until she came hard. I jammed three fingers in her empty pussy, and felt her cum even more, her muscles spasming around my rigid digits. And I kept her cumming till she flopped like a rag doll.

I had to get up early for work the following morning – unlike Courtney who reckoned she never left her bed before midday. But she was still up for a fuck before I left.

I'll definitely be going back to her local – maybe for a rematch with her, or to see if her sister or mate is free!

Jonathan, Surrey.

"Hold my calls!" Apprentice-style showoff business woman Tina's rushing out to see yet another client, but surely she's got time for a quick strip for us. "I think I could squeeze you in at three," she purrs, looking over her specs at us. "Then again, looking at you – get your nimble fingers down the front of my gusset and give me a good diddling while I suck your cock! They're not really clients you know, just some fellas I know round town. Naughty I know!"

TINA

Now these are the sort of curves we'd like to drive round at high speed. "Hang on, take your time," smiles Ashaya, parting her legs and playing with her pink insides. "To get me in the mood I like a long slow licking up and down my slit. When I'm ready you can suck on my clit and when I'm really horny you can thrust your tongue in. Shall we begin?"

So how do you know a girl's giving you the come-on? We've got plenty of books in the office telling us to consider pupil size, body language, eye contact and even scent! Well, we're no experts, but when a girl like luscious Louise here slowly and seductively strips on her bed, rubbing and licking her nipples before frantically frotting her shaven little slit, a fella can say he's in! "You're right!" grins the starkers stunner.

"Can we have a top up?" Goo-glugger Sammy is keen to oblige and bares her boobs. She wants as many units as she can slurp down her neck. But she wants them in the form of hot man fat. We're not sure how alcohol consumed converts into alcohol in spunk, but that's a lot of blow jobs whichever way you look at it. Which is pretty blurry for this barman who's only too happy to serve.

And if you want to bring a mate that's all right too - he can rub my tits and I can suck his balls until it's his turn to have a go! I'm feeling really horny just thinking about the fun we'll have!" We won't be throwing this one back in!
